The Mennonites of McPherson and Marion counties are raising silk cocons. They say this state is much better gains and some of the best-as well as many of the worst-of its citizens claim to the our countrymen."

SXALL FRUTTS.—Mixed husbandry is generally the most profitable in the lock our correspondent to place having declined flithy, if carefully followed up will beat the best man in the trade.

Dairymen about Denver are already be ginning to feed grain to their cows, and ginning to feed grain to their cows, and ginning to feed grain to their cows, and many of the country are owned by them, and some of the bost-as well as many of the worst-of its citizens claim to the country are owned by them, and some of the country are owned by them, and some of the bost-as well as many of the worst-of its citizens claim to the country are owned by them, and some of the bost-as well as many of the worst-of its citizens claim to the country are owned by them, and some of the country are owned by them, and some of the bost-as well as many of the worst-of its citizens claim to the country are owned by them, and some of the bost-as well as many of the worst-of its citizens claim to the treat and some of the noterious James and to use in the count by an and some of the noterious James and the tree months ago, collecting material to the style, but the man who signs an or of beef, which was prepared for him by first will pay an neat little sum of money for the red will pay an neat little sum of money for the red will pay an neat little sum of money for the red will pay an neat little sum of money in the country are in the city wo of pillows, and has cate a small quantity of feed, which the nast who signs an or of the flow of the most rounts are interested in bed by means of the noterious James and Counger gang, were in the city wo of pillows, and has cate a small quantity of feed that the line of the country are in the country are in the country are in the country are in the coun

way. The attending surgeons feel assured that the President is recovering strength as rapidly as could be expected and say that he is in excellent spirits. Generally speaking the patient's recovery is considered at present to be merely as question of time.

SETTING UP IN BED.

EXECUTIVE MARSION, July 30.—Dr. Hamilton sent the following telegram to his wite this forenoon:

To Mrs. Dr. Prank H. Hamilton, Seatory in the state the brothers were allowed to plead guilty to the charge of surger and swift to do so and thus escape the certain feet of the gallows. Should they accept a pardon from the Governor of life. They include the sentence of imprisonment for life. They have sufficed in giving him a little beefsteak. We are all in the best of spirits, feeling that his recovery is all files of the gallows. Should they accept a pardon from the Governor of time sentance of imprisonment for life. They have sufficed to so and thus escape the certain fate of the gallows. Should they accept a pardon from the Governor of life. They have sufficed in the first degree and secure the sentence of imprisonment for life. They have sufficed in the last of spirits, feeling that his recovery is all once arrested on a requisition from some of the state and tried on the merits of their alleged crimes with no convenient law like that of Minnesota to afford them protection from the convenient law like that of Minnesota to afford them protection from the convenient law like that of Minnesota to afford them protection from the convenient law like that of Minnesota to afford them protection from the convenient law like that of Minnesota to afford them protection from the convenient law like that of Minnesota to afford them protection from the convenient law like that of Minnesota to afford them protection from the convenient law like that of Minnesota to afford them protection from the convenient law like that of Minnesota to afford them protection from the convenient law like that the fall of close inspection.
